

Modular Office Designs

Lyft II

Integrated Wire Management

Fast Assembly

Easy-to-Sanitize Surfaces

Creativity • Community • Communication • Comfort

All the features of the Lyft I designs, plus whiteboard, magnetic, and tension fabric surfaces to create more personalized environments. The patented Gravitee Modular Aluminum panels are double-sided, height adjustable, and ship fully assembled. Whiteboard and magnetic surfaces can be branded and replaced without disassembling the frames. Fast assembly and wire management. Request pricing.
